*Special Projects Committee*

The Special Projects committee is asking for your support in donating school supplies to the Wake County Schools for teachers to use in their classroom. We are asking donations of pencil boxes, crayons, markers, Kleenex, glue, Ziploc bags, Band-Aids, pencils/pens, filler paper, construction paper, rulers, scissors, etc. These items are typically bought by the teachers or parents are asked to purchase them for the classroom.

We would really like for each member to bring supplies packed in a small rubber maid storage box for donation.

We will also be accepting monetary donations for those that don't have time to go out and buy these supplies.

Thank you for all of your support!
